

Fall 2020

Dear Family,

Thank you very much for your interest in Westchester Reform Temple's Early Childhood Center (the "ECC"). Our enrollment forms can be found online on the WRT website for the 2021-2022 school year along with other pertinent information about our program

**Please follow the link below to find the registration form and the enrollment agreement. You may pay your non-refundable \$1,200 deposit online via credit card or ACH electronic check in order to reserve this space. No registrations are considered complete until the deposit has been received. If you are enrolling in our Temple Tots or Toddler Time class, please submit payment in full. Should the ECC be unable to open due to COVID-19, payment will be refunded.**

**ECC priority registration for children currently enrolled in our program and for children who had been enrolled in our cancelled Temple Tots and Toddler Time classes runs from October 26, 2020 – October 28, 2020. Temple Members whose children are not enrolled in the ECC can register on October 29, 2020 and October 30, 2020. Registration will open to the public on November 2, 2020 and spaces will be available on a first come, first serve basis. Please use this link to register <https://form.jotform.com/wrt/ECC2122> .**

You will receive an email from Ellen Rosenberg in the ECC office confirming that there is a spot for your child in the ECC and that your registration has been processed. We will apply your deposit towards your tuition. Half of the outstanding balance is due by April 1, 2021. Tuition must be paid in full by July 1, 2021. If we reach our capacity before we have received your deposit, we will add your name to our waitlist. We can either hold your deposit pending a possible opening, or refund your deposit in full.

In May, you will receive the 2021-2022 school calendar (also posted online) and information including registration materials for afternoon classes for our 3's and 4's. As we are still in the midst of the COVID-19 Pandemic, we will monitor the situation and communicate the details of our program this Spring. We are working continuously with WRT Staff, medical professionals, parents and lay leaders to ensure the safest possible programs for your families that meets or exceeds all recommended guidelines set forth by our local Department of Health and Office of Children and Family Services, (OCFS).

In the current climate where we are limited to the number of people on our campus we have a wonderful video of our ECC which will give you a snapshot into the daily activities within the ECC. Please click on this link to view our video <https://youtu.be/IXMyDZJbLgI>

Please note that tuition prices listed are our current 2020-21 year rates, as a reference only. Each spring, the WRT Board of Trustees decides on the ECC tuition rates for the coming year, and in the past it has increased between 1% and 4%.

Currently, we are planning for our program to run as it had prior to COVID 19, with our traditional schedules. However, if we are required to adhere to COVID guidelines that differ, we will let you know.

We look forward to sharing these wonderful Early Childhood years with you.

Sincerely,

Sue Tolchin: ECC Director
